

Lab 8

Task 2

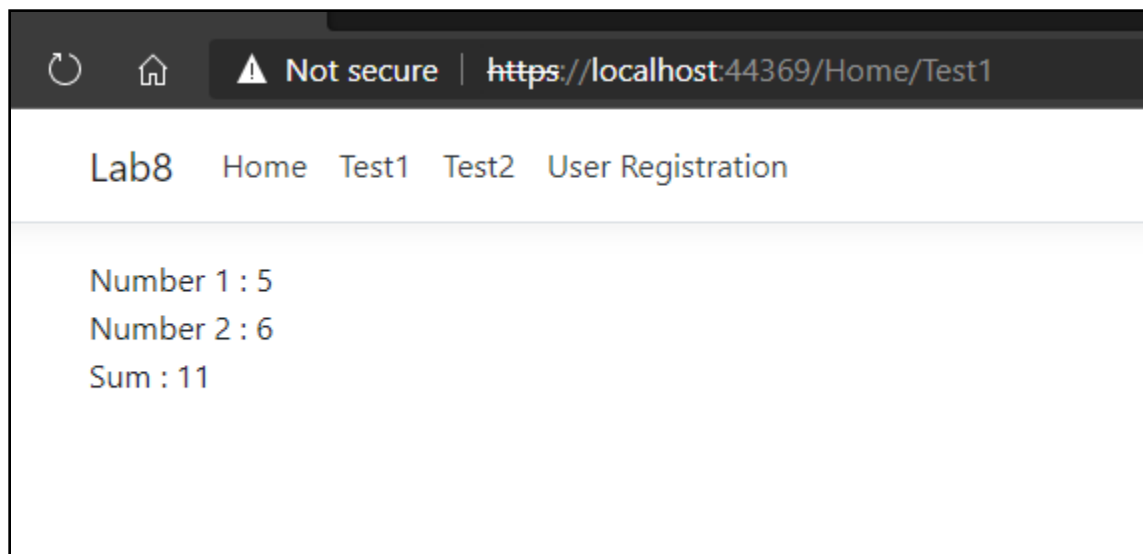

Mahammadayan S. Shaikh

Roll Number :- CE121

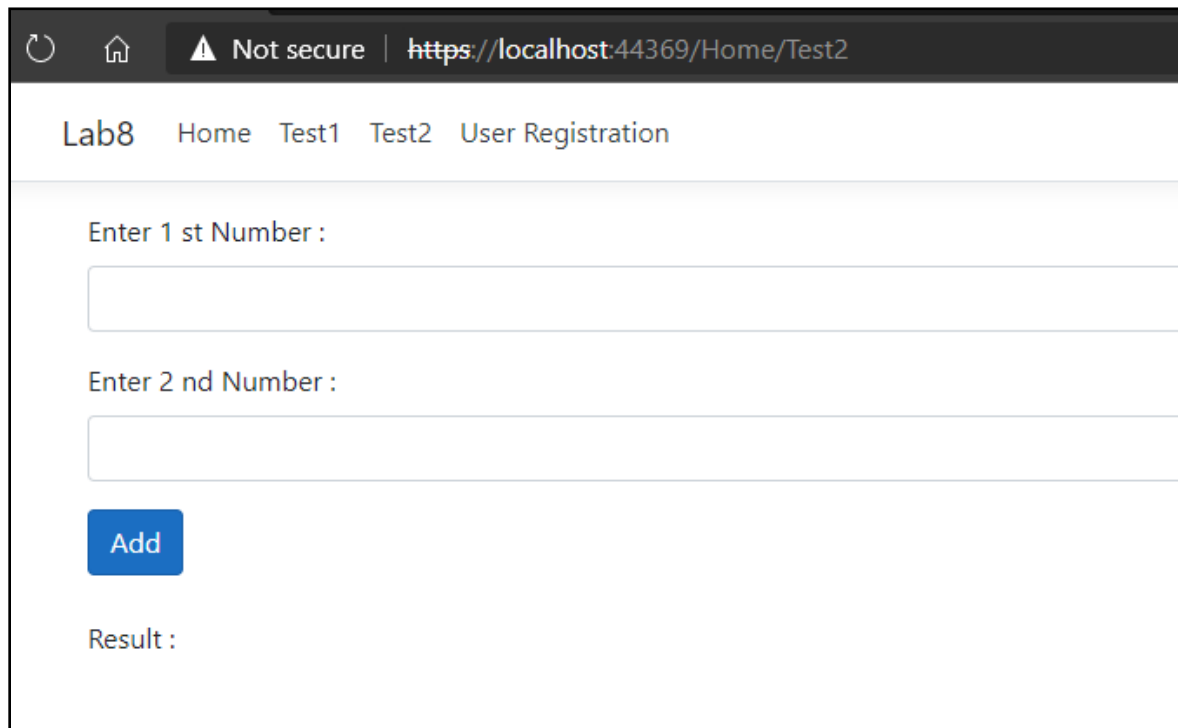

- **Output of Index action method of Home controller displaying hello world :-**

- **Output of Test1 action method of Home Controller :-**

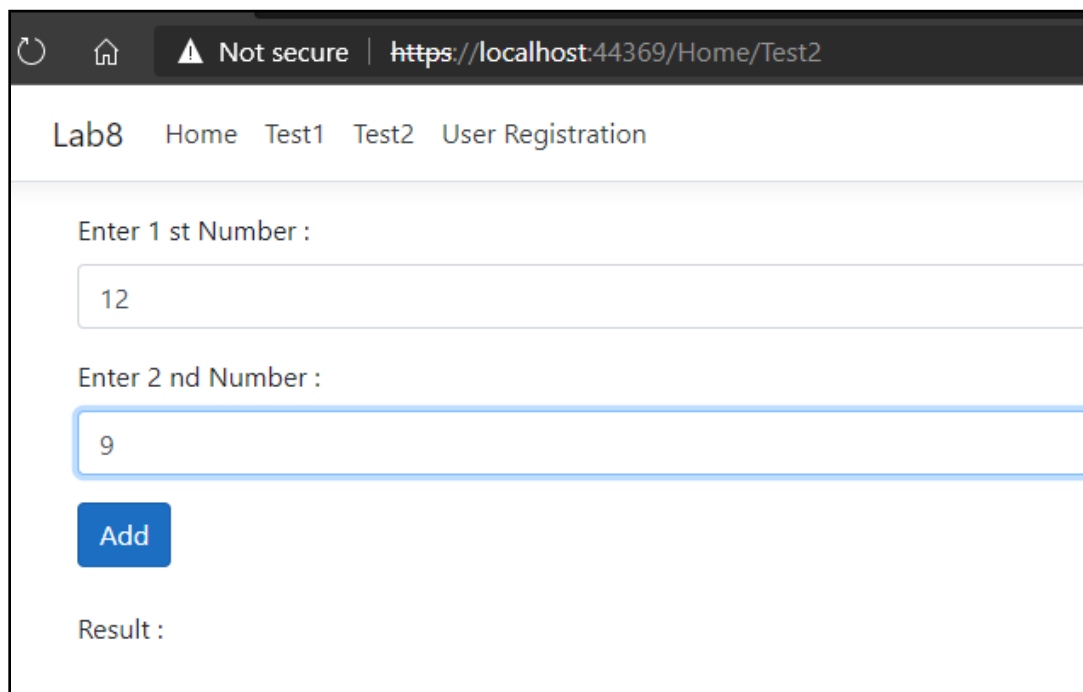

- **Output for Get http request for Test2 action method of Home Controller :-**

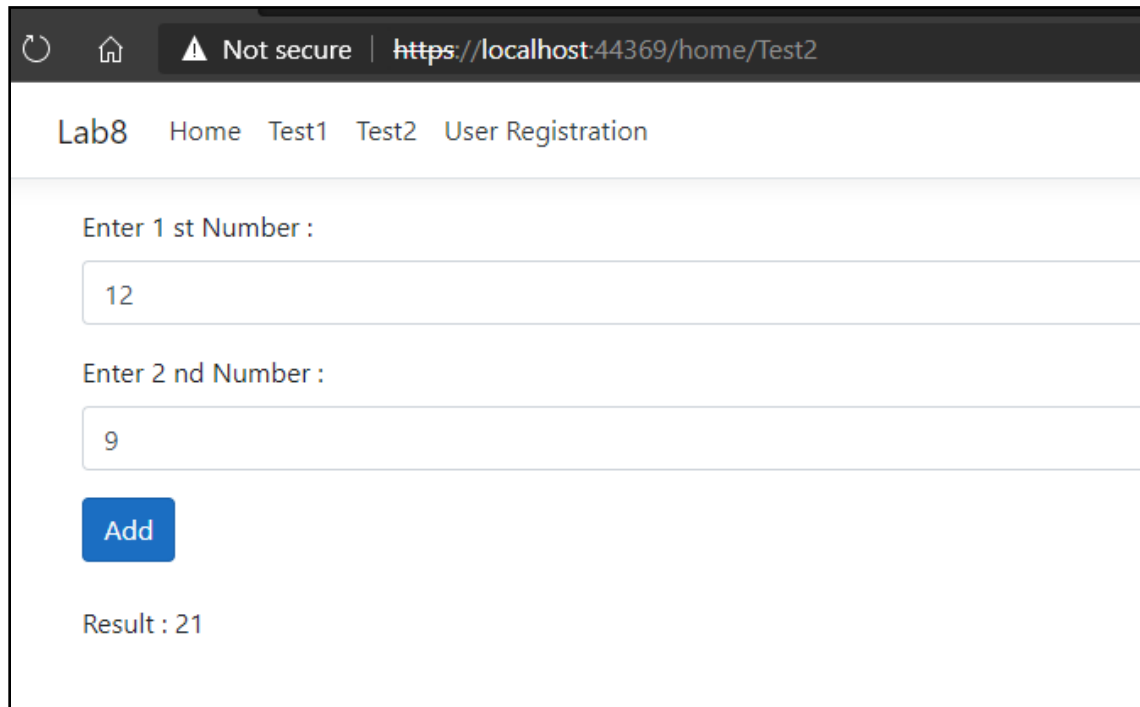

The screenshot shows a web browser window with the address bar displaying "https://localhost:44369/Home/Test2". The page has a navigation bar with links: "Lab8", "Home", "Test1", "Test2", and "User Registration". The main content area contains two input fields labeled "Enter 1 st Number :" and "Enter 2 nd Number :". Below these fields is a blue "Add" button. At the bottom, there is a label "Result :".

- **Entering data :-**

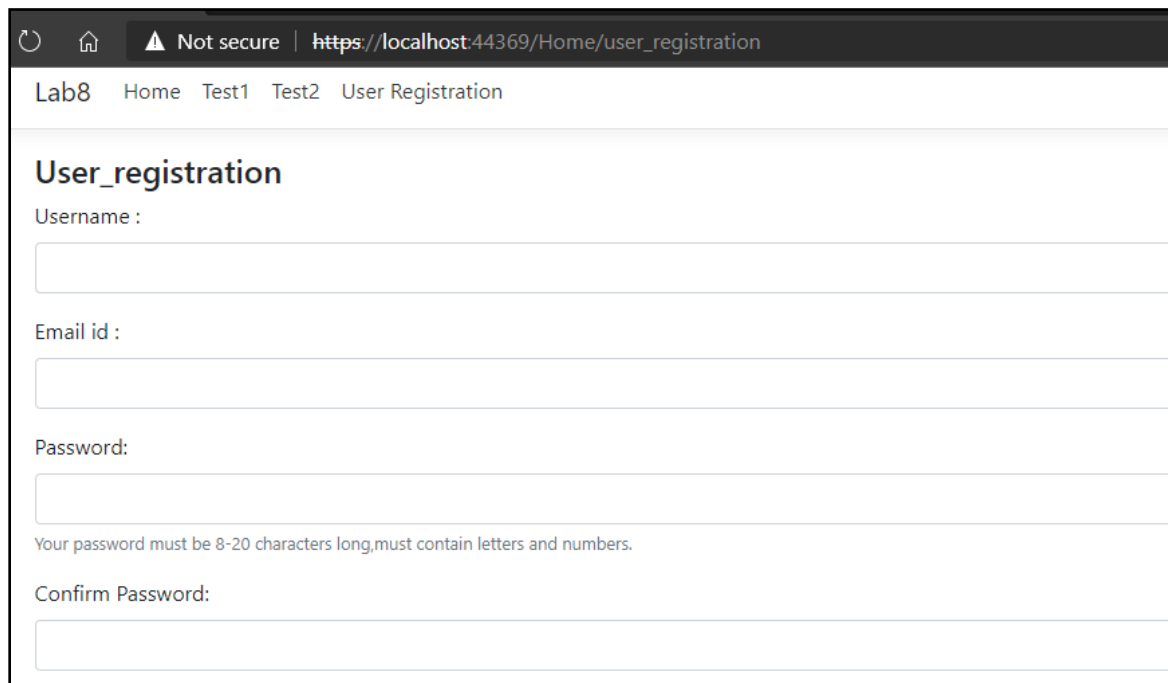

This screenshot shows the same web browser window as the previous one, but with data entered into the input fields. The first input field, labeled "Enter 1 st Number :", now contains the value "12". The second input field, labeled "Enter 2 nd Number :", now contains the value "9" and is highlighted with a blue border. The "Add" button and the "Result :" label remain visible at the bottom.

- After clicking on Add button :-

A screenshot of a web browser window. The address bar shows 'https://localhost:44369/home/Test2'. The page has a navigation bar with 'Lab8', 'Home', 'Test1', 'Test2', and 'User Registration'. The main content area contains two input fields: 'Enter 1 st Number :' with the value '12' and 'Enter 2 nd Number :' with the value '9'. Below these is a blue 'Add' button. At the bottom, it displays 'Result : 21'.

- Output of user_registration action method of Home Controller :-

A screenshot of a web browser window. The address bar shows 'https://localhost:44369/Home/user_registration'. The page has a navigation bar with 'Lab8', 'Home', 'Test1', 'Test2', and 'User Registration'.
